

170 Gibbs Avenue Newport R. I.

Dear Mr. Watson.

I do not remember to ever  
have sold a complete set of the  
Proceedings and we have only a  
few copies left of the earlier volumes.  
Of those I have edited (9-24 in clu-  
ding) there are, however, a considera-  
ble number, and we have sold them  
separately to the trade for \$5- and to  
members for \$3-. As this last price  
is as near as possible the cost price  
I think it is the one that should be  
named - or \$72- for the set.

Yours very truly  
Josiah P. Cooke -
